Wreck on Hwy 11 South

Proves Fatal to Owsley County Teen

The Kentucky State Police, Richmond Post was contacted about a wreck that had occurred 10 minutes out of Booneville on Route 11 South. The KSP contacted the Owsley County Sheriff's Office about the wreck; Deputy Sheriff Michael Havicus was dispatched to the accident. Approximately ½ mile above Highway 846, Deputy Havicus found the wreck. He immediately called for backup. Deputy Sheriff Ivan Fletcher and Sheriff Kelly Shouse left for the accident. The Owsley County Sheriff's Office also contacted the Owsley County Ambulance Service and the Owsley County Rescue Squad. KSP Trooper Brent Lynch was also dispatched to the wreck.

The preliminary investigation revealed that Tanners vehicle, a Ford Ranger Extended Cab, skidded of the road and overturned several times before striking a tree. Tanner was ejected from the vehicle and was pronounced deceased at the scene by the Owsley County Coroner's Office.

Tanner was a 2011 graduate of Owsley County

High School. He moved to Owsley County in 2001 and attended the Sugar

Camp School for a short time and was home schooled for several years. He was then enrolled in Owsley County Elementary School. He was a member of the Owsley County Cross Country and Track Team and was loved by many of the students and staff of the school. Many of his friends remember him as always being happy and funny.

The following part of the story has been written from questions I ask his mother. I did not change anything, just copied because I felt it came from the heart.

Two of Tanner's most endearing qualities were his big heart and his insatiable curiosity. He had a contagious laugh, and because he loved laughing, those around him always

had a smile on their faces. His kindhearted and tender nature was an endless source of comfort to his Grandma Della (his great-grandmother) during her last days. He would sit and read scripture to her, or he would gently lift her out of bed if she needed to get up. He could listen to his friends for hours - hear their problems, their gripes, their triumphs - and they always came away feeling better from his uplifting words and spirit. He had the innate ability to hug a person to their very soul. If he knew someone needed help, he was right there, in the thick of it, doing everything in his power to make the situation right.

His youthful exuberance was unsurpassed. He was interested in everything, and he was always looking into new ways to make money, or new skills to learn. Cattle ranching, Greenhouses, Wood chopping, Firefighting, Fishing. Almost anything that can be listed, he wanted to know more about.

Tanner lived life to the fullest. The “Olympian at Heart,” when he set his mind to something, he went full force, and for anyone who knew him, that was a train a person wouldn’t want to get in front of! He worked relentlessly to lose weight and take care of himself. He loved his friends and family as only a few bright stars on this earth could love. When he offered his help, he expected nothing for it - it was a sheer joy to him to make life a little better for others. He ran cross-country - even when it was hard for him to do. He fought fires with a team of men he was proud to associate with, knowing he was doing something to protect others and help them.

I am deeply touched and humbled by the outpouring of love for my boy. On February 2,1993,God blessed me with a beautiful baby boy, who I fell in love with instantly. He was such a joy to me! Tanner was a lovable, happy, cuddly, content baby, and he pretty much sat on my hip for 3 years. He grew up to be an amazing young man, who was so proud of all his friends, and loved you all deeply. He was quick to smile and was generous with his hugs; he sympathized with you when you hurt, but he also empathized, he *felt* your hurts and he did what he did best...he would make you smile. My heartaches, and a part of who I am are gone. I would give my life for one Tanner hug and “I love you Mom’s.” My life will never be the same, and I never realized that there was this kind of pain in life. Thank you for being the friends that you were to him. He loved you all...and so do I.

New Voting System Approved for 2014 Elections Paper Ballot System Approved at the Owsley Fiscal Court Meeting on Aug 14, 2012

Joe Harp, from Harp Enterprises presented the memorandum of agreement from the state board of elections for the 4th year where they would fund the paper ballot systems. Owsley is one of the three counties in the state of Kentucky that is not using this system. Harp stated that we are already using the paper ballot system in the disabled access unit, and that costs the county the vote tally for two systems: the paper ballot system and the current electronic systems. Magistrate Jesse Bishop, Jr. asked if there would be any cost to the county? Harp stated that the county would only have to pay shipping for each unit which should be approximately \$1200-\$1500. A motion was made by Jesse Bishop, Jr., seconded by Mike Harris to advertise bids for the paper ballot systems, motion carried.

Lucy Burrows, Solid Waste Coordinator, told the fiscal court that it was time for their 5-year report. Mrs. Burrows stated that she had been working on the report and that she had been working with Wolfe County, as before, and each school would be getting a recycling wagon where people could take their recycled materials. She asked the fiscal court to approve a public meeting time and a special meeting to review the 5-year plan for 2013-2017. A motion was made by Mike Harris, seconded by Roger Reed to have the Pubic Meeting on Tuesday, September 4, 2012 at 8:00am with the special meeting following at 9:00am both in the Owsley County Judge’s Office, motion carried.

The Owsley County Fiscal Court Financial Statement:
General Fund - \$130,605.52; Road - \$351,216.29; Jail - \$30,786.66; LGEA - \$54,533.64; Solid Waste - \$17,670.37; Parks & Recreation - \$4,407.65; LGEDF - \$0; Total - \$662,767.91

“No one was more surprised than me when my summer and winter electric bills dropped by half...”

Carson Smith of Clay County was tired of paying what he knew were too-high electric bills and by making his home more energy efficient, he cut those bills nearly in half!

“When I could look around the frame of my back door and literally see outside I knew I was paying a lot of unnecessary dollars trying to heat my backyard,” said Smith. “I knew I was bound to be losing a lot of my cool air in the summertime, too. That’s why I decided to call Jackson Energy.”

The exhibits area will be open for viewing on Thursday from 8:30 a.m. until 5:30 p.m. and on Friday from 8:30 a.m. until right before the parade begins at 1:00 p.m. All entries must be picked up by Friday, September 7th after the parade -4:30 p.m. Be sure when registering that we have your name and address to insure that you will receive your check if you are a first or second place winning exhibitor.

We are following the same guidelines as we did last year. The exhibit items must be made or grown by children if it is entered in their name. The issue in the past has been that items have been entered in children's name but maybe have not been grown or made by them and those items were in competition with other children's items. Adults and 4-H/Youth/FFA can enter any category. The only change is that we have divided the Fine Arts category into age groups.

See the list of categories and classes for Owsley County Fair Entries in next week's edition.

Sag Hollow News

By:
Deron Mays

Mike Mays and Jackie Little won the August 14th League Play. Mike also won in the individual league play.

* The cooler, less humid weather has produced some very pleasant conditions for golf enthusiast. Although there will probably be a few more warmer than usual days left this year, autumn will soon be here. Golfing weather is still with us right up until late October into November. So grab your golf clubs and head on up to Sag Hollow Golf Club for a relaxing day on the course. Playing fees are \$20 for 18 holes with a cart, or \$14 for 9 holes, and this applies to weekends as well.

* The Tuesday, August 14th League Play was won this week by Mike Mays, who carded a -3 from his handicap to take home the prize. He also won the team format, along with partner Jackie Little. They scored a combined -5 for the win.

* Thursday, August 16th's Scramble was won by the team of Hunter Morgan, Elisha Green, Wayne Morgan, Buddy Cornwell, and Gene Hamilton. They shot a -7 to score the win. There was another great turnout as 40 golfers played in the scramble.

* Just a reminder that the New Hope Masonic Lodge will hold their annual 18 hole scramble on Saturday, September 1st at Sag Hollow.

* The high school schedule for next week has the boys/girls teams heading to Sugar Camp Golf Club in Breathitt County on August 23rd to play Wolfe County and Breathitt County. Owsley County host Wolfe County at Sag Hollow on August 27th. The following day, August 28th, has Jackson County's girls playing at Sag Hollow against Owsley County's Lady Owls.

* The high school teams have been practicing for weeks now, and one of the Lady Owls girls, freshman Alyssa McIntosh, drove the ball during practice last week from the ladies tee on the par 4 number 2 hole, all the way to the left side of the green. That's a BIG drive! There's mostly freshmen and sophomores on the boys and girls teams, and with continued practice and play the high school's golf future looks very promising.

A Simple Man

Part 44... Clarence wondered why his feet felt wet. He looked down at this feet and saw that he was standing in water. Where had the chickens gone? He was confused as to what to do about his feet being wet. Jake must not be able to hear me, Clarence thought, so he called his name a little louder. Jake will know where the chicken went and what I should do next, Clarence assured himself.

With the cleaning done, Liza went outside to call her daddy in for lunch. As she stepped off the porch she saw him standing in the middle of the creek and heard him calling out for Jake. She thought he must have found an interesting fish or bug in the creek that he wanted Jake to see. The closer she got, the more she realized her father was upset and did not see her coming. She said his name a few times and he did not seem to recognize her. It took her a minute to decipher what was happening to Clarence. She gently took his arm and guided him to the side of the creek and she helped him up to the yard. He didn't talk and he willingly walked with her as she led him to the porch. iI have lunch ready daddy, you must be very hungry, after such as busy morning,i Liza gently told him. iI have cleaned the entire house and put out a wash of our towels and sheets we have used this week,i she said. iLet's get these wet shoes and socks off and put your house slippers on, okay?i she asked him. Clarence smiled and said, i I am hungry, how did you know my dear?i Clarence responded. iI am just a smart girl, daddy!i Liza Jane replied.

Clarence ate every bite of food Liza had prepared and he even asked for seconds! She wasn't sure if she wanted to ask her father why he was in the creek or not. She had read in a resource book about signs and behaviors of Alzheimer's patients. She remembered reading that it often would upset the patient to bring up an iepisodei after it had passed. So, she decided not to ask him any questions.

Liza knew what had just happened, and she knew there was nothing she could do about it. There was no need to panic or call anyone. Clarence wasn't upset anymore and was asking her what she had been up to! They decided after lunch, to read on the porch for a while. It was Saturday night, and they had plans for Jake to pick them up to go hear a band at a nearby town. They each grabbed a book they had chosen and relaxed in their assigned seats on the porch. The afternoon was peaceful and pleasant. Liza reached out her hand to her daddy and told him it was time to get ispruced upi for their night with Jake!

Inspirational Word

By: Gerline McIntosh

Hello to everyone in Owsley, it is time for the word. I want to write about God's elect this week.

Romans 8:31-39 31What shall we then say to these things? IF God be for us, who can be against us? 32 He that spared not his own son, but delivered him up for us all, how shall he not with him also freely give us all things. 33 Who shall lay any thing to the charge of God's elect? IT is God that justifieth. 34 Who is he that condemneth? It is Christ that died, yea rather, that is risen against, who is even at the right hand of God, who also maketh intercession for us. 35 Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword? 36 As it is written, for thy sake we are killed all the day long, we are accounted as sheep for the slaughter. 37 Nay, in all things we are more than conquerors through him that loved us. 38 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come. 39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

Isn't it good to know that nothing on Earth or about the Earth can separate us from the mighty hand of God, except we ourselves, by sinning against God?

Matthew 24:29-31 29 Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from Heaven, and the powers of the Heavens shall be shaken. 30 And then shall appear the sign of the son of man in Heaven, and then shall all the tribes of the Earth mourn, and they shall see with the son of man coming in the clouds of Heaven with power and great glory. 31 And he shall send his angels with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of Heaven to the other.

Luke 18:7-8 7 And shall not God avenge his own elect, which cry day and night unto him, though he bear long with them. 8 I tell you that he will avenge them speedily, nevertheless when the son of man cometh, shall he find faith on the Earth? **Colossians 3:12-13** 12 Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, long suffering. 13 Forbearing one another, and forgiving one, if any man have a quarrel against any, even as Christ forgave you, so also do ye.

If we don't have and do all these things, then we are not God's Elect, to be a Christian, we have to be Christ-like. May God bless until next time.
